ORDER:

In the references read above, Government have issued A.P. Medical Education Service Rules issued in G.O. As per these rules, one must have put in not less than three years of Service of which at least two years in the category from which promotion or appointment by transfer is made and a minimum period of 1 year left over service before superannuation i.e., no person shall be eligible for promotion to the post of Addl.. Director of Medical Education if he/she has completed 62 years of age on the date of approval of panel by the Government; provided that those seniors who do not have such a minimum period of one year left over service, but are otherwise found to be fully qualified and fit for promotion as Addl., Director of Medical Education shall be assigned the scale of pay of Addl., Director of Medical Education and the posts they are holding be upgraded to the level of Addl., Director as personal to them till the date of their superannuation and they shall be designated as Addl., Director of Medical Education (Special).

2. Further, Government have observed that due to delay in preparing panels in the month of September, some of the professors who are eligible and having minimum left over service of one year as on 1st September, (which is the first day of the panel year for promotion), are losing their promotion due to administrative delay at various levels, many times for reasons beyond the control of Administration.

3. After careful examination of the issue, Government here by decided that the condition of minimum left over service of one year before superannuation as on the date of approval of panel by the Government in terms of sub rule (c) of Rule-7 of APMES Rules issued in G.O.Ms.No.154, Health, Medical & Family Welfare (A2) Department dated: 04.05.2002 is modified as minimum left over service of one year before superannuation as on the qualifying date of the panel year i.e. 1st September of the panel year. This amendment would come into force from the panel year 2021-2022.

4. The Director of Medical Education, AP, Vijayawada shall take necessary action in the matter.
